PREFACE

The following explanations apply throughout the publication:

Subject-matter workers in extension are generally shown under the respective department or division of the college.

Certain institutions used the academic title for experiment station workers as well as for personnel engaged solely as teachers.

Corrected to October 1, 1953.

PREFACE

The following explanations apply throughout the publication:

Subject-matter workers in extension are generally shown under the respective department or division of the college.

Certain institutions use the academic title for experiment station workers as well as for personnel engaged solely as teachers.

Corrected to October 1, 1954. Published since 1889.

PREFACE

The following explanations apply throughout the publication:

Subject-matter workers in extension are generally shown under the respective department or division of the college.

Certain institutions use the academic title for experiment-station workers as well as for personnel engaged solely as teachers.

Corrected to September 15, 1955. Published since 1889.

PREFACE

The following explanations apply throughout the publication:

Subject-matter workers in extension are generally shown under the respective department or division of the college.

Certain institutions use the academic title for experiment station workers as well as for personnel engaged solely as teachers.

Corrected to September 15, 1956. Published since 1889.
